

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MONTANA
BILLINGS DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

vs.

FRANK JAMES SANCHEZ,

Defendant.

CR 16-82-BLG-SPW

ORDER

On January 27, 2025, the United States Magistrate Judge entered Findings and Recommendations with respect to the October 23, 2024 petition for revocation of Defendant Frank James Sanchez's supervised release. (Docs. 449 and 432). Although the parties were notified of their right to file objections to the Findings and Recommendations within 14 days, neither party filed objections. Failure to object waives the right to review. Fed. R. Crim. P. 59(b)(2). But consistent with the Court's "full authority" to review the Findings and Recommendations under any standard it deems appropriate, *Thomas v. Arn*, 474 U.S. 140, 154 (1958), the Court reviews for clear error. Clear error exists if the Court is left with a "definite and firm conviction that a mistake has been committed." *United States v. Syrax*, 235 F.3d 422, 427 (9th Cir. 2000).

Based on Sanchez's admissions to the alleged violations, the Magistrate recommends his supervised release be revoked. The Magistrate further recommends that this Court sentence Sanchez to time served followed by 34 months of supervised release. The Magistrate's Findings and Recommendations are without clear error and hereby adopted in full.

IT IS ORDERED that Frank James Sanchez's supervised release is revoked. Judgment will be entered by separate document.

DATED this 11th day of February, 2025.

SUSAN P. WATTERS
United States District Judge
